I agree to abide by the terms of the 'Garden Constitution' and 'Policies and Procedures' as set out on our website, [www.cliftongarden.org](http://www.cliftongarden.org), or they can be e-mailed to you upon request. Hard copies are available to read at the Garden.

Note that smoking is not allowed and closed shoes are required.

Our garden is a volunteer organisation and we only ask that you attend when you can. Having said that, we would love members to participate in the garden as much as possible. We understand that members may be able to contribute away from the garden, for example - by managing social media or our website.

Apart from the fun growing vegetables there are also mundane tasks such as lawn mowing, building maintenance, hut and surrounds cleaning which need addressing. Unfortunately, there is no-one other than members to carry them out.

We would like to welcome you to the garden and we hope you get to enjoy it as much as we do.
